

**REFORM
MEASURE 11**
Time Does Not Fit The Crime
PO Box 647, Oregon City, OR. 97045

Greetings from our Co-Founder

September 2021 was our last newsletter. However, in March 2022, we emailed a memo on letterhead to members and mailed the memo to 19 AICs with updated information.

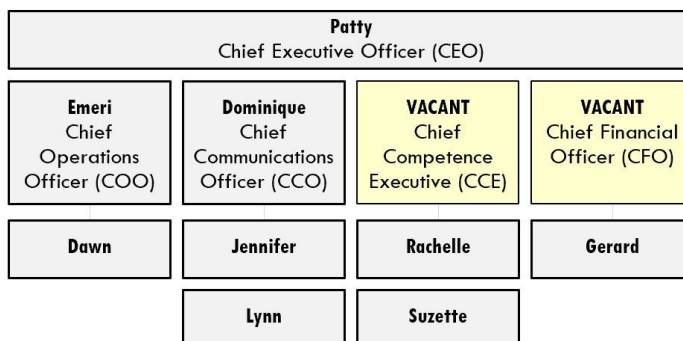

At this time, our newsletters will be emailed to members and mailed to AICs that have donated to our organization. Funding is limited so we cannot print, stamp, and mail our newsletters like we use to. Any donation from an AIC will put them on our mailing list to receive our newsletters or you can send us a self-addressed/stamped envelope.

AICs - if you are receiving this newsletter, please ask if you can post it on your unit's bulletin board. We send them to DOC but they will only post in the law libraries.

If there is any article or information you or your loved one would like to see in our newsletters, please let us know.

TDNFTC needs volunteers

Our team has worked hard to revamp TDNFTC these past few months. We now have titles and groups under each title: operations, legal, communications, and financial.

We have several open positions.

If you or someone you know would like to get involved, please contact us. We meet on the first Wednesday of every month via Zoom between 6:30-7:30pm PT. Each group also meets during the month to work on designated projects. These groups then report back at our monthly business meeting. At this time, we are in need of the following positions:

- Financial Director
- Marketing Associate
- Manager of Safety and Risk Operations
- Program Coordinator

If you are interested in joining us but don't see a position listed above that fits your skills, please let us know and we will create a position for you.

TDNFTC's current projects

TESTIMONIES – With teams forming and our website up and running, TDNFTC would like to add a page to our website with testimonies from current and former AICs. Either written or videoed, these would include information on what an AIC and their family/friends went through when they were charged with a Measure 11 conviction. In these testimonial videos AICs and their families can share the trials and tribulations they had to adapt to and the challenges they had to endure. We want to help educate our communities of what AICs and their families went through upon their release and what has helped them succeed versus what has not. If you would like to find out more information, know of someone who would be willing to be interviewed or would like to be interviewed yourself, please contact us. These testimonies would help us educate the public and would also mean a lot to others that are searching for information or just trying to succeed.

2023 BILL – TDNFTC will be submitting a new bill with more guidelines to try and get it to the floor for vote. Our bill will be (again) for AICs to be able to earn good time (sentence reduction). We will modify it for First Time Offenders and make sure it is retroactive.

SPONSORS – We are asking for companies and individuals to support TDNFTC by donating. Depending on the amount donated annually, you will achieve different levels: Gold (over \$500), Silver (\$250-\$499), Bronze (\$100-\$249), or Family (\$25-\$99). Each level will be tax deductible. See our website for more information on these levels.

Visitation

Visitation is open and all visits must be scheduled via ICSolutions prior to arriving at the facility.

All visitors must ensure they are on the AIC's approved visitors list before scheduling an in-person visit. While the online system allows for scheduling regardless of visitor status, the visit will be denied at the institution if the visitor is not approved. Check with your incarcerated loved one to ensure your visiting status is up to date. You can email the visiting application form to the Visitor Services Unit or it fax to (503) 373-1173. You can also mail the form to Visiting Services Unit, 3723 Fairview Industrial Dr. Suite 200, Salem, OR 97302.

As a reminder, cloth masks and gaiters are approved face coverings; however, they must be double layered. Single layer gaiters may be worn as a face covering as long as they are folded over to create two layers of fabric over the nose and mouth. For visiting rules see, <https://www.oregon.gov/doc/visiting/Pages/covid-visiting-rules.aspx>.
